Present: Linda McGillen, Pete Reisenauer, Commissioner Paul Smith

Public: Paul McGillen

Meeting called to order at 6 p.m. by Chair Linda McGillen

Reports

Fogging in 2019 went well with foggings on July 17 (had to stop due to high wind); July 22, July 28 and August 7. At no time was fogging done prior to 9 p.m. The spray contains nothing that is harmful to humans or pets.

Calls to John Shuey, CFO, were not returned so McGillen was unable to report the fund balance.

McGillen submitted to the ADLC Treasurer, the 2019 bill from JHS, Inc. for \$1,589 on November 19, 2019.

New business

Fogging in 2018 will be done in late June, late July, and if necessary, at the end of August.

Next meeting will be held in May or June 2020.

Meeting adjourned at 6:15 p.m.
