## ANACONDA-DEER LODGE COUNTY BUSINESS LICENSE INFORMATION

- In order for a business to operate – a business license must be issued from Anaconda-Deer Lodge County. Applicants also must be registered with the Montana Secretary of State and provide a Federal Tax ID dependent on the business structure and organization
- Each business license application may have up to a two week waiting period
- No business shall operate prior to having a business license in hand.
- In order to receive a business license – all required inspections, when necessary, must be conducted and each inspector must deem the business in compliance with all applicable codes, etc.
- A change of ownership does constitute the need for a new business license.
- If the proposed business is not ready for inspection at the time of application submittal, it is the owner's responsibility to contact Anaconda-Deer Lodge County when an inspection is needed.
- Once a business is no longer operating, the business license must be deactivated in order to avoid late fees and penalties. Please call the Treasurer's Office to deactivate a business license at 563-4050.

I hereby have read and understand all information presented above. If receiving application via mail, it is understood that you have read and understand all statement above and have contacted the Anaconda-Deer Lodge Planning Department with any questions or concerns at (406) 563-4010

**HOME-BASED BUSINESSES  
(Home Occupation)**

Congratulations on starting a business in Anaconda-Deer Lodge County. You have chosen to operate a business out of your home, and for the right business, that is a very wise choice. However, not every business is suitable to be operated in a residential neighborhood. For this reason, Anaconda-Deer Lodge County has adopted standards for home businesses designed to protect both you and your community.

- *A **Home-Based Business** is a non-residential **Accessory Use** and incidental use of residential property. Typically, it is a business operated from a home with part of the floor area of the residential unit and/or an **Accessory Structure** devoted to this business. Employees are limited to a small number and/or the residents of the **Dwelling Unit** in order to control the **Scale** of the **Non-Residential Use**. The **DPS Regulations** recognize two (2) types of home based businesses: **Home-Occupations** and **Cottage Industries**.*
  - **Home Occupations – The following standards apply to Home Occupations**
    - a) A **Home Occupation** may be located within a **Dwelling Unit** or an **Accessory Structure**. **Home Occupations** shall not occupy a floor area larger than 50% of the total floor area of the primary **Dwelling Unit** to which they are accessory.
    - b) No **Home Occupation** shall have more than one (1) employee who does not reside on the premises.
    - c) One **Off-Street Parking** space shall be provided if the **Home Occupation** employs anyone not residing on the premises.
    - d) All **Home Occupation** activity, including the storage of any materials, equipment, or machinery associated with the **Home Occupation** shall be contained within an enclosed **Structure**.
    - e) Only one (1) illuminated wall **Sign** with no more than six (6) square feet is allowed.
    - f) All **Home Occupations** shall obtain a business license from the **County** as well as be registered with the **Montana Secretary of State**.
    - g) Medical marijuana caregiving shall not be allowed as a **Home Occupation** in any **Developmental District** except for a caregiver that serves no more than two (2) registered patients, both of which must reside within the caregiver's household.

If you have any questions regarding these standards, please contact the Anaconda-Deer Lodge County Planning Department at 406-563-4010. Thank you for doing business in Anaconda-Deer Lodge County.

I have reviewed the Home Occupation Standards set forth by Anaconda-Deer Lodge County. I have read these standards, I understand them, and I agree to comply with them as I operate my home occupation.
