

Anaconda Deer Lodge County

Economic Development Committee

Economic Development Notice of Intent

This completed form serves as a notice of intent to the ADLC Economic Development Advisory Board of your interest to request funds.

The Anaconda-Deer Lodge County (A-DLC) Economic Development Advisory Board was created by A-DLC Ordinance No. 262 on August 4th 2020 in order to advise the County Commission on grants, loans and expenses related to the Economic Development funds offered to A-DLC in the Superfund Settlement Agreement with ARCO.

Applications may be submitted to the Clerk of Commission:

Anaconda Deer Lodge County or Istrum@adlc.us
Clerk of Commission
800 Main Street
Anaconda, MT 59711

Please complete the following screening for approval to request funds (attach as many pages as needed):

1. Provide a brief description of your business plan.
2. Provide description or maps of the ideal location of the business.
3. Explain the approximate acreage / sq. Footage of the business (sketches / blue prints / comps). Be sure to portray potential tax base created and if considering county property.
4. Describe the structure of capital and owner equity (owner financing, proposed ADLC Economic Development grant, owner equity, proposed ADLC Economic Development loan, and/or other sources). Funding sources will have to be committed before ADLC funds will be given.
5. Why do you need the ADLC Economic Development money to complete the project?
6. What benefits will the business create in the community? (Addition to tax base, increased employment, enhancement to community)

Visit the county website: <https://www.adlc.us/500/Economic-Development-Board> for more information on criteria and requirements.
