

CONSTRUCTION AHEAD

The Montana Department of Transportation (MDT) is taking proactive safety measures to repair or replace existing rockfall mitigation structures and remove potentially hazardous rocks on MT 1 near Georgetown Lake.

During construction motorists should expect:

- Delays of up to 30 minutes
- Flaggers and traffic signals may direct traffic
- Traffic will be reduced to a single lane for about one mile
- Width restrictions are in place (visit 511mt.net for the most up-to-date information)
- One five-day road closure

SLOW FOR THE ZONE.
GIVE WORKERS A BRAKE.

Stay alert.
Better roads ahead!

Stay Informed During Construction

Visit the project website at: mdt.mt.gov/pubinvolve/mt1ss/

For EMAIL UPDATES: text SLOPE to 22828

For TEXT/SMS* UPDATES: text SLOPE to 866-434-0866 (toll-free)

Call the project phone line: (406) 284-1500 Email: Brandon@rbci.net
