

Communications Board  
ALDC  
December 9, 2015 10 a.m.

Present: Gary Wenger, Chair; Bill Converse, Chief Tim Barkell, Pat Dunn, Marty Mavrinac, Dusty McKinney, Ot Lemm

**Minutes**

Marty moved to approve minutes as written, seconded by Ot. Motion carried.

**Account balances**

Current balance of \$11,225.52 in account. Board members should consider any projects for next fiscal year.

**Big Hole**

Pat Dunne reported that radios are working well. There is a dedicated Big Hole frequency. Road department is using it and everything is working well.

**General Discussion**

Gary said that he is still being contacted on a regular basis by American Tower regarding the 'management' of our leases on the 'C' Hill. Motion by Marty, seconded by Tim to send a letter to American Tower advising them that Anaconda Deer Lodge County will continue to operate the leases and has no need for their services.

Motion carried.

Dusty McKinney, Building Inspector, explained that a cell tower is going in on Silver Cloud Road. It has been presented to the Commission and will be voted on by the Commission on December 15. Dusty said that AT&T will be hooked up to the tower, but that other companies may be added in the future.

There still remains some cleanup work to be done on the 'C' Hill by AT&T. Road Supervisory Wendt is aware. Gary will contact AT & T once again.

Meeting adjourned at 10:54 a.m.

  
Gary L. Wenger, Chair
